Dear Parent/Guardian

Maiden Erlegh Summer Fair – students only

It's been a long time coming – we're pleased to announce the first ever Maiden Erlegh Summer Fair!

The fair will run after school on **Monday 22 July**. Nearly 50 Sixth Formers have come together to create an exciting range of stalls, with plenty of food, crafts and traditional games. All the money we raise from the event will be used to support departments across the school, improving the quality of education for all students.

Stalls will include sponge the teacher, South Asian food, beautiful handmade paper craft, a giant cake sale, games (including a coconut shy and many more), guess the sweets in the jar, guess the name of the bear, beat the goalie. We also hope to arrange an ice cream van. Not only is it fun for your child, have a chat with them about it: you could have them grab some bargain cakes and gifts for the whole family!

We've made this event to give back to our community, and we would love it if you could support us in reaching our goal. Each activity will be charged at £1, and students will need to buy tokens with cash.

Thank you so much for sharing this moment with us.

Yours faithfully

Daniel Tapp
