Dear Parent/Guardian

I wanted to take this opportunity to wish you all a restful, and enjoyable summer break after what has clearly been another successful year at Maiden Erlegh School.

I am thoroughly looking forward to welcoming all students back to school on Wednesday 4 September and having the opportunity to speak to them all during their welcome assemblies. I am also looking forward to meeting you, our parents and carers, during our year group information evenings to be held during September and early October (more details to follow next term).

As always, in September we will be having a focus on reestablishing high standards across the school after the six-week break. Standards relating to behaviour, uniform and equipment will be top of the list. Whilst these may seem rather trivial things to focus on, collectively they have a huge impact on the culture, ethos and success of the school. I ask for your support in helping us make sure the start of the term is a celebratory one by ensuring your child/children have the correct uniform and are well equipped for learning when they return to school next term. Please refer to the links below for guidance in these areas.

As usual, the start of the day on Wednesday 4 September will be staggered as follows:

Year Group	Start Time	Location
Year 7	8.30am	M Block Tutor Rooms
Year 8	9.00am	Covered Way
Year 9	9.20am	Covered Way
Year 10	9.20am	H Block
Year 11	9.30am	G Block
Year 12	8.30am	Main Hall
Year 13	9.30am	Dining Room

Lessons will formally start Period 3 after break and will run until the end of the day at 3pm.

A note to our current Year 11 and 13 students. I hope you enjoy what will probably be the longest summer break you will ever experience and grab every opportunity that comes your way next year, be that at MES sixth form, college, university or in the workplace. I wish you all the very best for your exam results.

Yours sincerely

Mr S Jump
