Dear Parent/Guardian

Year 10 – Ingenious Learning Revision workshops – Wednesday 9 October 2024

I am writing to inform you that we have organised a visit from Ingenious Learning who specialise in delivering engaging revision workshops that cover revision techniques, how to find resources and how to look after mental wellbeing in the run into exams. This will take place in school on Wednesday 9 October during period 2 for M students and period 3 for E students.

The workshops provided by Ingenious Learning are a wonderful opportunity to trial revision techniques in an engaging and creative way ahead of the GCSE RP examinations in the summer.

All students are expected to wear full school uniform and normal behaviour expectations and rules will apply.

Please note that representing the school on a trip, fixture or at an event is a privilege and we reserve the right to withdraw that privilege for students who are persistently late to school or lessons, do not follow our uniform or behaviour policies or bring the school into disrepute in any way.

Thank you in advance for your support.

Yours sincerely

Miss E Kelly
Head of Year 10
