

24 October 2024

Dear Parent/Guardian

UNIFROG sign-up code for Parents and Guardians

As part of our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we use Unifrog - an award-winning, online careers platform. Existing students in Years 8 to 13 already have access to Unifrog. Year 7 students and new students to Year 12 will be introduced to the platform soon.

The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

- **Exploring Pathways** – personality quizzes, career and subject profiles, MOOCs and webinars.
- **Recording** – self-reflection about extracurricular activities and key employability skills.
- **Opportunities** – search tools showing live vacancies/courses/placements for apprenticeships, universities (in the UK and abroad), FE, virtual work experience and much more.
- **Applications** – tools to help students build applications for a range of pathways (e.g., CVs, Personal Statements, Common App Essays).
- **Please find a video – showing an overview of the platform below:**

<https://www.loom.com/share/1d856c8220f444faa653fd7f719db5c8>

Students access the platform by following the details in a welcome email, where they create a password and can begin using the platform. Students can then login to Unifrog from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

Parent/Guardian UNIFROG sign-up code:

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your child throughout the process. It will be possible for you to access the site, even if your son or daughter has not yet logged onto the platform themselves. Sign-up here: <http://www.unifrog.org/code> using the sign-up code **MAIXPARENTS**. Please note that you need to enter your own, personal details and not those of your son/daughter.

We hope you find using UNIFROG useful in supporting your son/daughter.

With many thanks for your support.

Yours sincerely,

Mrs A Finlason
Trust Careers Adviser

Unifrog events 24/25: Students

- September**
