Dear Parent/Guardian

Reminder - Bromcom Parent App – MyChildAtSchool (MCAS)

At Maiden Erlegh School, we use a management information system (MIS) called Bromcom to manage student and staff data. As part of this system, we provide access to the associated Parent App, My Child at School (MCAS).

The app is free to download from app stores and is available for both Apple and Android smartphones. Through the MCAS app, parents and guardians can view their child's reports, timetable, attendance, and behaviour information, as well as update contact details.

We strongly encourage all parents and guardians to download and access this useful app, as it is a valuable tool for staying informed about your child's school life and keeping your contact information up to date.

If you need assistance accessing or using the app, please contact the school office at mesmcas@maidenerleghtrust.org, and a member of the team will be happy to support you.

Thank you for your continued support.

Yours sincerely

Mr D Bell
Assistant Headteacher
