

27 February 2025

Dear Student, Parent / Guardian

Maiden Erlegh Trust are Celebrating National Careers Week: 3 – 8 March 2025

We are delighted to share that we will be celebrating in National Careers Week 2025 which is taking place from 3 – 8th March this year. We have created our own mini theme – ‘Skills for Life!’

We would like to encourage every student to take participate by:

- Watching videos during Tutor Time about ‘Skills’. 5 videos have been created by our Maiden Erlegh Sixth Formers. They will enable students from Year 7 - 13 to learn what a skill is, why they are important, how to develop & showcase them, and the types of skills employers and universities look for!
- Taking part in activities at school and at home – via information on Google Classroom / shared by Tutors – including a Virtual Careers Fair, considering skills & what skills different jobs and industries require, and completion of fun tasks.
- Attending the ‘MET Careers Fair’ – Thursday 7 March 2025 – 6-8pm in the Maiden Erlegh School Sports Hall, Silverdale Road. Attendance is highly recommended!

We look forward to seeing everyone who can join us at the Careers Fair – last year there was a huge amount of interest and buzz at the fair as employers shared a vast array of jobs they offer in interesting ways! There is usually something of interest for everyone.

Students - please do take this opportunity to think and talk about careers – watch videos, attend events, undertake activities around skills, interests, and consider careers that may be perfect for YOU...it’s never too early (or late) to start.

Thank you for your support of our careers programme – we hope it will prove to be of great benefit to you.

Yours sincerely

Mrs A Finlason
Trust Careers Adviser
