Dear Parent/Guardian

### End of Spring Term 2025

As we approach the end of another busy and productive term, I wanted to take a moment to reflect on our shared achievements and provide some important reminders and updates for the summer term.

Firstly, I am delighted to share some exceptional news. Our school has been recognised with two prestigious SSAT Educational Outcomes Awards. We have been honoured for being in the 'top 20% of schools nationally for student progress' and the 'top 10% of non-selective schools for student attainment' in the 2024 end of Key Stage 4 exams. This incredible achievement is a testament to the hard work, dedication, and ambition of our students, staff, and the broader school community. Congratulations to everyone involved in this well-deserved recognition!

As we look ahead to the summer term, we extend our best wishes to all our Year 10 Religion and Philosophy students, Year 11, and Year 13 students who will be sitting important exams. We encourage them to use the holiday period as an opportunity to recharge while also dedicating some time to focused preparation. Striking a balance is essential, and incorporating regular, structured breaks into their study routines can significantly enhance concentration and overall well-being.

This term has been filled with memorable and enriching experiences for our students. Among the many noteworthy events, two particularly stand out to me. The Duke of Edinburgh (DofE) Awards evening showcased exceptional resilience, teamwork, and commitment among our students, while our spectacular production of Beauty and the Beast highlighted their remarkable talent and creativity. I extend my heartfelt thanks to everyone who supported and attended these events, making them true highlights of the year. Amazing!

We would like to remind you of our mobile phone policy to ensure consistency and clarity for the summer term. Please take a moment to review the following:

Students in Years 7 to 11 may bring mobile telephones into school, however, unless given explicit permission to use their telephone during the school day, they should be switched off before students come through the school gate and remain in bags until they leave school at the end of the day. In the Sixth Form, students may use their telephones in the Sixth Form Centre only. If a student is found using a mobile phone in contravention to the above, this will be confiscated by

Work Together

the member of staff and taken to reception. This will be logged as a Level 1 Behaviour and an email sent home to notify parents. If a student refuses to hand over their mobile phone or is defiant towards a member of staff, they will be sanctioned for this in line with our Behaviour Policy (Level 3 or Level 4). Phones can be collected at the end of the school day from reception.

As we prepare to welcome students back after the break, we kindly remind parents to ensure that students are fully equipped and dressed in compliance with our uniform policy. This includes wearing blazers and ties as summer uniform will not be adopted straight away. Please also check that students have all the necessary equipment to engage fully in their learning. A full list of our school uniform and equipment can be found on our website [here](#).

Finally, I would like to wish all students, families, and staff a restful and enjoyable break. Your continued support has been invaluable in making our school community such a special and thriving environment. I look forward to welcoming everyone back for the summer term, refreshed and ready for new opportunities and challenges.

Yours sincerely

Mr S Jump
