Dear Parent/Guardian

Year 13 – Exam Study Support Programme

As we approach the final stages of the academic year, I would like to provide some important information regarding Year 13 study leave and the upcoming A-Level examinations.

Study leave for Year 13 will officially begin on Friday 9 May. However, as you are aware, A-Level examinations are spread over a long period, and it is essential that students remain engaged with their studies throughout this time. To support them in achieving their best possible results, each subject will be offering revision sessions focused on key skills for Papers 2 and 3 of their respective exams. These revision sessions will provide targeted support, exam techniques, and additional guidance to help students consolidate their learning. As a school, we strongly recommend that students attend these sessions, as they will be invaluable in their final preparations. We appreciate your support in encouraging your child to take full advantage of these opportunities.

The pre-exam booster timetable is available [here](#). These sessions are being held before exams and are predominantly drop-in sessions for students to ask last minute questions or to go over key topics and themes.

The revision session timetable is available [here](#). These are longer sessions than the pre-exam boosters, and the topic of each session is detailed on the timetable.

These timetables will also be posted on google classroom for students.

A level results day is Thursday 14 August and results will be available from 8.30am. For more information about collecting and receiving results, please see the school website - [Maiden Erlegh School - Exams Results Dates and Certificates](#).

Please do not hesitate to contact the school if you have any questions or require further information.

Yours sincerely

Miss A Cheshire
