

20 March 2026

Dear Parent/Guardian

RSHE Curriculum Consultation

The government has introduced new statutory guidance for [Relationships and Sex Education \(RSE\) and Health Education](#), which schools are required to implement from 1 September 2026.

In response to this, we are currently reviewing our curriculum and policy to ensure that our provision is appropriate and sensitive to the needs of all students. In doing so, we are taking into careful consideration each student's:

- Age and stage of development
- Physical and emotional maturity
- Religious and cultural background
- Special Educational Needs and Disabilities (SEND)

We value your views and would greatly appreciate your feedback as part of this consultation process.

How you can contribute:

We will be holding an online focus group for parents and carers on **Friday 27 March at 3:30 pm**. This session will provide an opportunity for you to:

- Ask questions
- Learn more about our proposed approach
- View examples of the resources we intend to use

The session will take place via Zoom and will last no longer than one hour. Each focus group will consist of approximately 8–10 parents/carers, alongside members of the school's senior leadership team.

If you would like to attend, please register your interest by emailing mesoffice@maidenerleghtrust.org no later than Wednesday 25 March.

We look forward to working in partnership with you to ensure our RSE and Health Education provision meets the needs of our school community.

Yours sincerely

Mr M Bell
Head of Personal Development
