To my wonderful Year 11

Congratulations on finishing your exams! This is a significant milestone, and I am incredibly proud of each and every one of you for your hard work, dedication, and resilience throughout this challenging period. Mr Gillett and I have frequently commented on how mature your approach to exams has been and we couldn't have asked for more from you.

As you head into the well-deserved extended summer holiday, I wanted to remind you to take time to relax, recharge, and make lots of wonderful memories. Whether you are spending time with family, hanging out with friends, or pursuing hobbies and interests, make the most of these moments. This is your time to unwind and enjoy the freedom of the longest summer break you will ever have, and these memories will last a lifetime.

For those returning, I am looking forward to welcoming you back for the sixth form induction day. It's an exciting new chapter, and I can't wait to see the fantastic contributions you will make as senior students in this school. For those moving on to pastures new, I wish you all the success on the next step of your journey wherever that may take you. Arguably most importantly, I am eagerly anticipating celebrating your success on results day and seeing you on the dancefloor at Prom!

On a personal note, thank you for giving me the privilege of being your Head of Year. I have thoroughly enjoyed my time working with you and the laughter we have shared together - my mornings are about to be a lot quieter! It has been my privilege to be a small part of your journey and to see you blossom into the fantastic young adults that you are. I will certainly continue to reflect on the wonderful memories you have given me, from the bottom of my heart - thank you.

Take care of yourselves and each other, enjoy your summer and create plenty of memories.

Good luck on the next step of your journey!

Miss Kelly
Head of Year 11
