Dear Parents/Guardians

BRIYM Parent Workshop: Raising Respectful, Resilient Boys

We are delighted to have secured the excellent team from BRIYM to deliver a series of parent information evenings throughout this academic year. This half term, they will be offering a session on Raising respectful, resilient boys and we would like to open this opportunity out to all parents. Future sessions may be directed at specific year groups.

The event will take place on **Tuesday 7 July 2026, from 6.00–7.00pm**, in the Main Hall at **Maiden Erlegh School**.

About the session:

Raising boys today brings unique challenges, especially with online pressures, shifting ideas of masculinity and strong peer influence. This session provides a safe, understanding space for parents and carers to explore these issues. We will look at how boys think and respond, and offer guidance on helping them become respectful, emotionally secure and resilient as they grow.

If you would like to attend, please complete the form - [BRIYM Parent Workshop - Reserve Spaces](#) so that we know to expect you. Please note that the event is capped at **300 attendees** and places will be allocated on a first-come, first-served basis. If you successfully complete the form, please consider that your space/s are booked.

We would like to thank the BRIYM team for their continued support with this important work, and we hope that you will find the session valuable in supporting your young people.

Yours sincerely

Mrs J Bhadye
Assistant Headteacher – Enrichment and Culture
